The Members of the Drikung Dharma Surya Center,

I am happy to learn that the new center Drikung Dharma Surya Center is established in Northern Virginia near the nation's capital of United States. It is wonderful that you create an opportunity to study and practice the Buddha Dharma and profound, unbroken Drikung Kagyu Lineage.

I believe that under the spiritual guidance of His Eminence Garchen Konchok Gyaltsen Rinpoche, the Drikung Dharma Surya Center will benefit by turning the Wheel of Dharma, and sowing the seed of liberation in the heart of every disciple, and the accumulation of two merits be accomplished.

I wish ever members of the center and supporters to come together and support Drikung Dharma Surya Center for its Dharma activities.

May the Sun of Dharma shines in every direction and dispel the darkness of ignorance, and peace and benefit for all.

With my prayers.

H.H. Drikung Kyabgon Chetsang

The Head of the Drikung Kagyu Lineage of Tibetan Buddhism.
