Bhum Tsok Ganachakra Guru Rinpoche Puja is dedicated to the long-life of H.E. Garchen Rinpoche. Khenpo Tenpa Darje, throne successor to Khenpo Munsel, at Chokhor Pemai Thang Monastery, has kindly advised the offering of Bhum Tsok recitations to invoke the blessings of Guru Rinpoche Padmasambhava.

Bhum Tsok puja is powerful for transforming anger and impure objects in the mind to manifest as purified perception of non-dual, liberated thought to remove outer, inner, and secret obstacles.

Additional items of fruit, flowers, and small finger foods are welcomed to be placed on the altar and offered to all beings at the conclusion of the four-session puja.
