Practice*

*Registration at the door*

*\$40 each day includes lunch*

“Through this meditation practice you really become Vajrasattva. In your mind, your body is no longer an ordinary body; it is Vajrasattva’s form. This is called “mental formation” since your mind forms the Vajrasattva-body. If you can meditate on this well, evil spirits and other entities can’t find your ordinary body. This actually happened at the time of Lord Jigten Sumgön.”
