Donations accepted at [drikungdharma.org](http://drikungdharma.org)

### Great Drikung Phowa Chenmo Practice *“The Standing Blade of Grass”*

The Phowa practice is the most direct method one may attain liberation at the time of death and be assured of a positive rebirth. During this retreat, attendees will have the same opportunity of receiving and practicing the Phowa teachings as did many hundreds-of-thousands of Tibetans and other practitioners around the world.
