Bhum Tsok Ganachakra Puja

The 4-day puja ceremony is the offering of 100,000 compassionate recitations to invoke the blessings of Guru Rinpoche Padmasambhava. The Peaceful Padmasambhava prayer is very powerful to transform anger and impure objects in the mind, to manifest as purified perception of non-dual, liberated thought. There are great benefits of vast merit, wisdom, and bodhicitta realization to remove outer, inner, and secret obstacles. The merit of the practice is then dedicated to the long-life of H.H. Dalai Lama and all other holy masters, as well as, all loved ones and beings for the benefit of world peace.

The public is welcomed to join the pujas and items of fruit, flowers, and small finger foods will be placed on the altar and offered to all beings at the conclusion of the 4-day puja.
